THREE HOT NEW CAMERAS LET YOU GET DOWN AND DIRTY IN THE DIGITAL AGE

There comes a time in every guy's life when he needs to move beyond the disposable camera and enter the realm of digital-age photography. We tested three of the hottest new video, digital and film cameras out there. And because we're usually stuck testing our cameras while shooting pictures of naked models, we thought we'd tell you how to use this slick new technology in the bedroom as well as at the birthday party.
